February 2015

"It's impossible" said pride.
"It's risky" said experience.
"It's pointless" said reason.
"Give it a try" whispered the heart.
- Anonymous -

Hi, Barbara,

Did you hear?

James' Place started a fund raising campaign to benefit the **Triangle Recovery Club (TRC)** of Westminster, Maryland. We believe recovery from the disease of addiction is not only possible - it happens! And, we believe it happens in community. The **TRC** is now six months old and a happening place already. Yikes, the rent is due again...and the coffee is running low. **Boo!**

To make this possible, we need to get everyone involved and would love for you to help raise money too for these courageous men and women. If you are one of 25 million in recovery and have a regular place to meet, help your colleagues in recovery have a dependable place, too. If you believe recovery promotes progress for not only the individual but the community as well, consider investing in the greater community of hope.

Our goal is to make the campaign fun and viral and raise lots and lots of money... or at least insure the roof remains over the TRC. Here's what you can do to help:

Go to our page, learn more and DONATE:

www.crowdrise.com/TriangleRecoveryClubMaryland

- \$15 keeps the doors open for half a day of meetings and events.
- \$30 means a full day of hope.
- \$210 ...well, that's a week's worth of growth and healing!
- \$10 provides 76 cups of coffee and plenty of sugar (and everyone knows meetings and coffee go together like peanut butter and jelly in any world).

After you donate you can help us fundraise, too. Click the **FUNDRAISE FOR THIS CAMPAIGN** button on our page and within seconds you'll have your own personal fundraising page.

1. Sign in or Sign up for CrowdRise (takes 8 seconds and you won't be bombarded with unwanted emails. But if you get even one, it will make you LOL as you delete).
2. Click "Edit Fundraiser" and personalize your page with photos and text.
3. Send the link to your fundraiser page to 25... no 11, people you know and ask them to support your cause, too. (They recommend you send one to a person who "owes" you...maybe the neighbor whose kid you bought all those magazine subscriptions from?)
4. Share your page on Facebook and Twitter so you can ask your friends and family to donate, too.

The goal is to build a great team of fundraisers so that everyone can participate and we can raise a crazy amount of money for the Triangle Recovery Club.

Thanks so much for your support!

Barbara and Tom Allen
